INTERNATIONAL AFFAIRS REPORT

OCTOBER 2022 - SEPTEMBER 2023

DR LAMUN KAYURIN

MESSAGE FROM ASSISTANT TO PRESIDENT (INTERNATIONAL AFFAIRS)

We are pleased to present a comprehensive summary of all international collaboration activities undertaken between October 2022 to September 2023. This overview highlights key partnerships, global engagements, academic exchanges, joint research efforts, and strategic initiatives that strengthened our international presence and fostered meaningful cooperation with institutions and organizations around the world.

Throughout this period, our collaborations have contributed to greater academic mobility, enriched learning experiences, and expanded global opportunities for our community.

These achievements reflect our ongoing commitment to internationalization and our vision of positioning RUTS as a proactive and globally connected institution.

This summary has been prepared for publication and public viewing to ensure transparency, celebrate our achievements, and acknowledge the collective efforts that made these developments possible. We extend our sincere appreciation to all RUTS staff, students, and international partners whose dedication, enthusiasm, and continued support have been essential to the success of these initiatives. Their contributions have played a vital role in strengthening our global engagement and driving forward our mission.

As we look ahead, we remain committed to expanding our international collaborations, building new alliances, and creating even more opportunities for our community to thrive on the global stage.
