

INTERNATIONAL AFFAIRS REPORT

October 2023 - September 2024

DR LAMUN KAYURIN

MESSAGE FROM ASSISTANT TO PRESIDENT (INTERNATIONAL AFFAIRS)

We are pleased to present a summary of all international collaboration activities undertaken between October 2023 to September 2024. This overview showcases key partnerships, global engagements, academic exchanges, joint research efforts, and strategic initiatives that strengthened our international presence.

During this period, our collaborations enhanced academic mobility, enriched learning experiences, and expanded global opportunities for our community. These achievements reflect our commitment to internationalization and our vision of positioning RUTS as an active, globally connected institution.

Prepared for publication and public viewing, this summary promotes transparency and recognizes the collective efforts behind these accomplishments. We extend our sincere appreciation to all RUTS staff, students, and international partners whose dedication and support have been essential to our success.

Looking ahead, we remain committed to broadening our global partnerships, building new alliances, and creating even greater opportunities for our community on the world stage.

OCTOBER 2023

On 9th October 2023, Prof. Dr. Suwat Tanyaros, President, Rajamangala University of Technology Srivijaya with Dean of Faculty of Liberal Arts and Dean of Faculty of Business Administrative welcome Assoc. RUTS INTERNATIONAL COLLABORATION VISIT (Universiti Malaysia Terengganu and Universiti Malaysia Kelantan)

During 8-11, January 2024, Prof Dr Suwat Tanyaros, the President, led a team of administrators including Dr. Lamun Kayurin, Assistant to President (International Affairs), Asst. Prof. Dhiravit Chantip, Dean of Faculty of Veterinary Science, Dr. Metasu Chanrot, Deputy Dean, Faculty of Veterinary Science, Asst. Prof. Prasert Tongnunui, Director of Natural Resources and Environment Institute and Dr. Natcha Saramas Lecturer, Rattaphum College met with the administrative team from Universiti Malaysia Terengganu (UMT) and Universiti Malaysia Kelantan (UMK). The visit was to foster collaboration between universities, emphasizing various aspects such as student exchange, student mobility, visiting lecturers and related activities.

Moreover, the signing of the MoU between RUTS and UMK was held on January 10, 2024, symbolizes a partnership which we believe will lead to many new joint research initiatives that produce new synergies, and add academic value for both RUTS, and UMK in the years ahead.

Dr. Lamun Kayurin, Assistant to the President (SDGs Leader), together with Dr. Chanyut Sudtongkong, represented Rajamangala University of Technology Srivijaya at the Global Sustainable Development Congress 2024, held from 10–13 June 2024 in Bangkok, Thailand.

The Congress, co-hosted by the Ministry of Higher Education, Science, Research and Innovation (MHESI) and Times Higher Education, focused on how higher education institutions, government, industry, and society can rethink their roles to address global sustainability challenges and advance the United Nations' 17 Sustainable Development Goals (SDGs).

RUTS participated in this global forum to exchange knowledge, strengthen collaborations, and gather insights and data essential for preparing its SDG submission for 2025, scheduled for November 2025.

RUTS PARTICIPATION IN THE GLOBAL SUSTAINABLE DEVELOPMENT CONGRESS 2024

JUNE 2024

RUTS is ranked!!

On 12 June 2024, Rajamangala University of Technology Srivijaya has been ranked in the 2024 Times Higher Education (THE) Impact Rankings. This year, RUTS participated in 17 out of 17 Sustainable Development Goals (SDGs) and we are proud to share that all SDGs have been ranked in a successful position, as well as retain the top 1000 universities from over thousands universities over the world.

Rajamangala University of Technology Srivijaya has been ranked 1st (joint) in RMUT, ranked 10th(joint) in Thailand and 1001st in the world, also RUTS has been overall ranked 1001st in the World, including 4 SDGs composed of

SDG 12 : Responsible Consumption and Production, worldwide ranked at 301-400

SDG 2: Zero Hunger, worldwide ranked at 201-300

SDG 6: Clean water and sanitation, worldwide ranked at 301-400

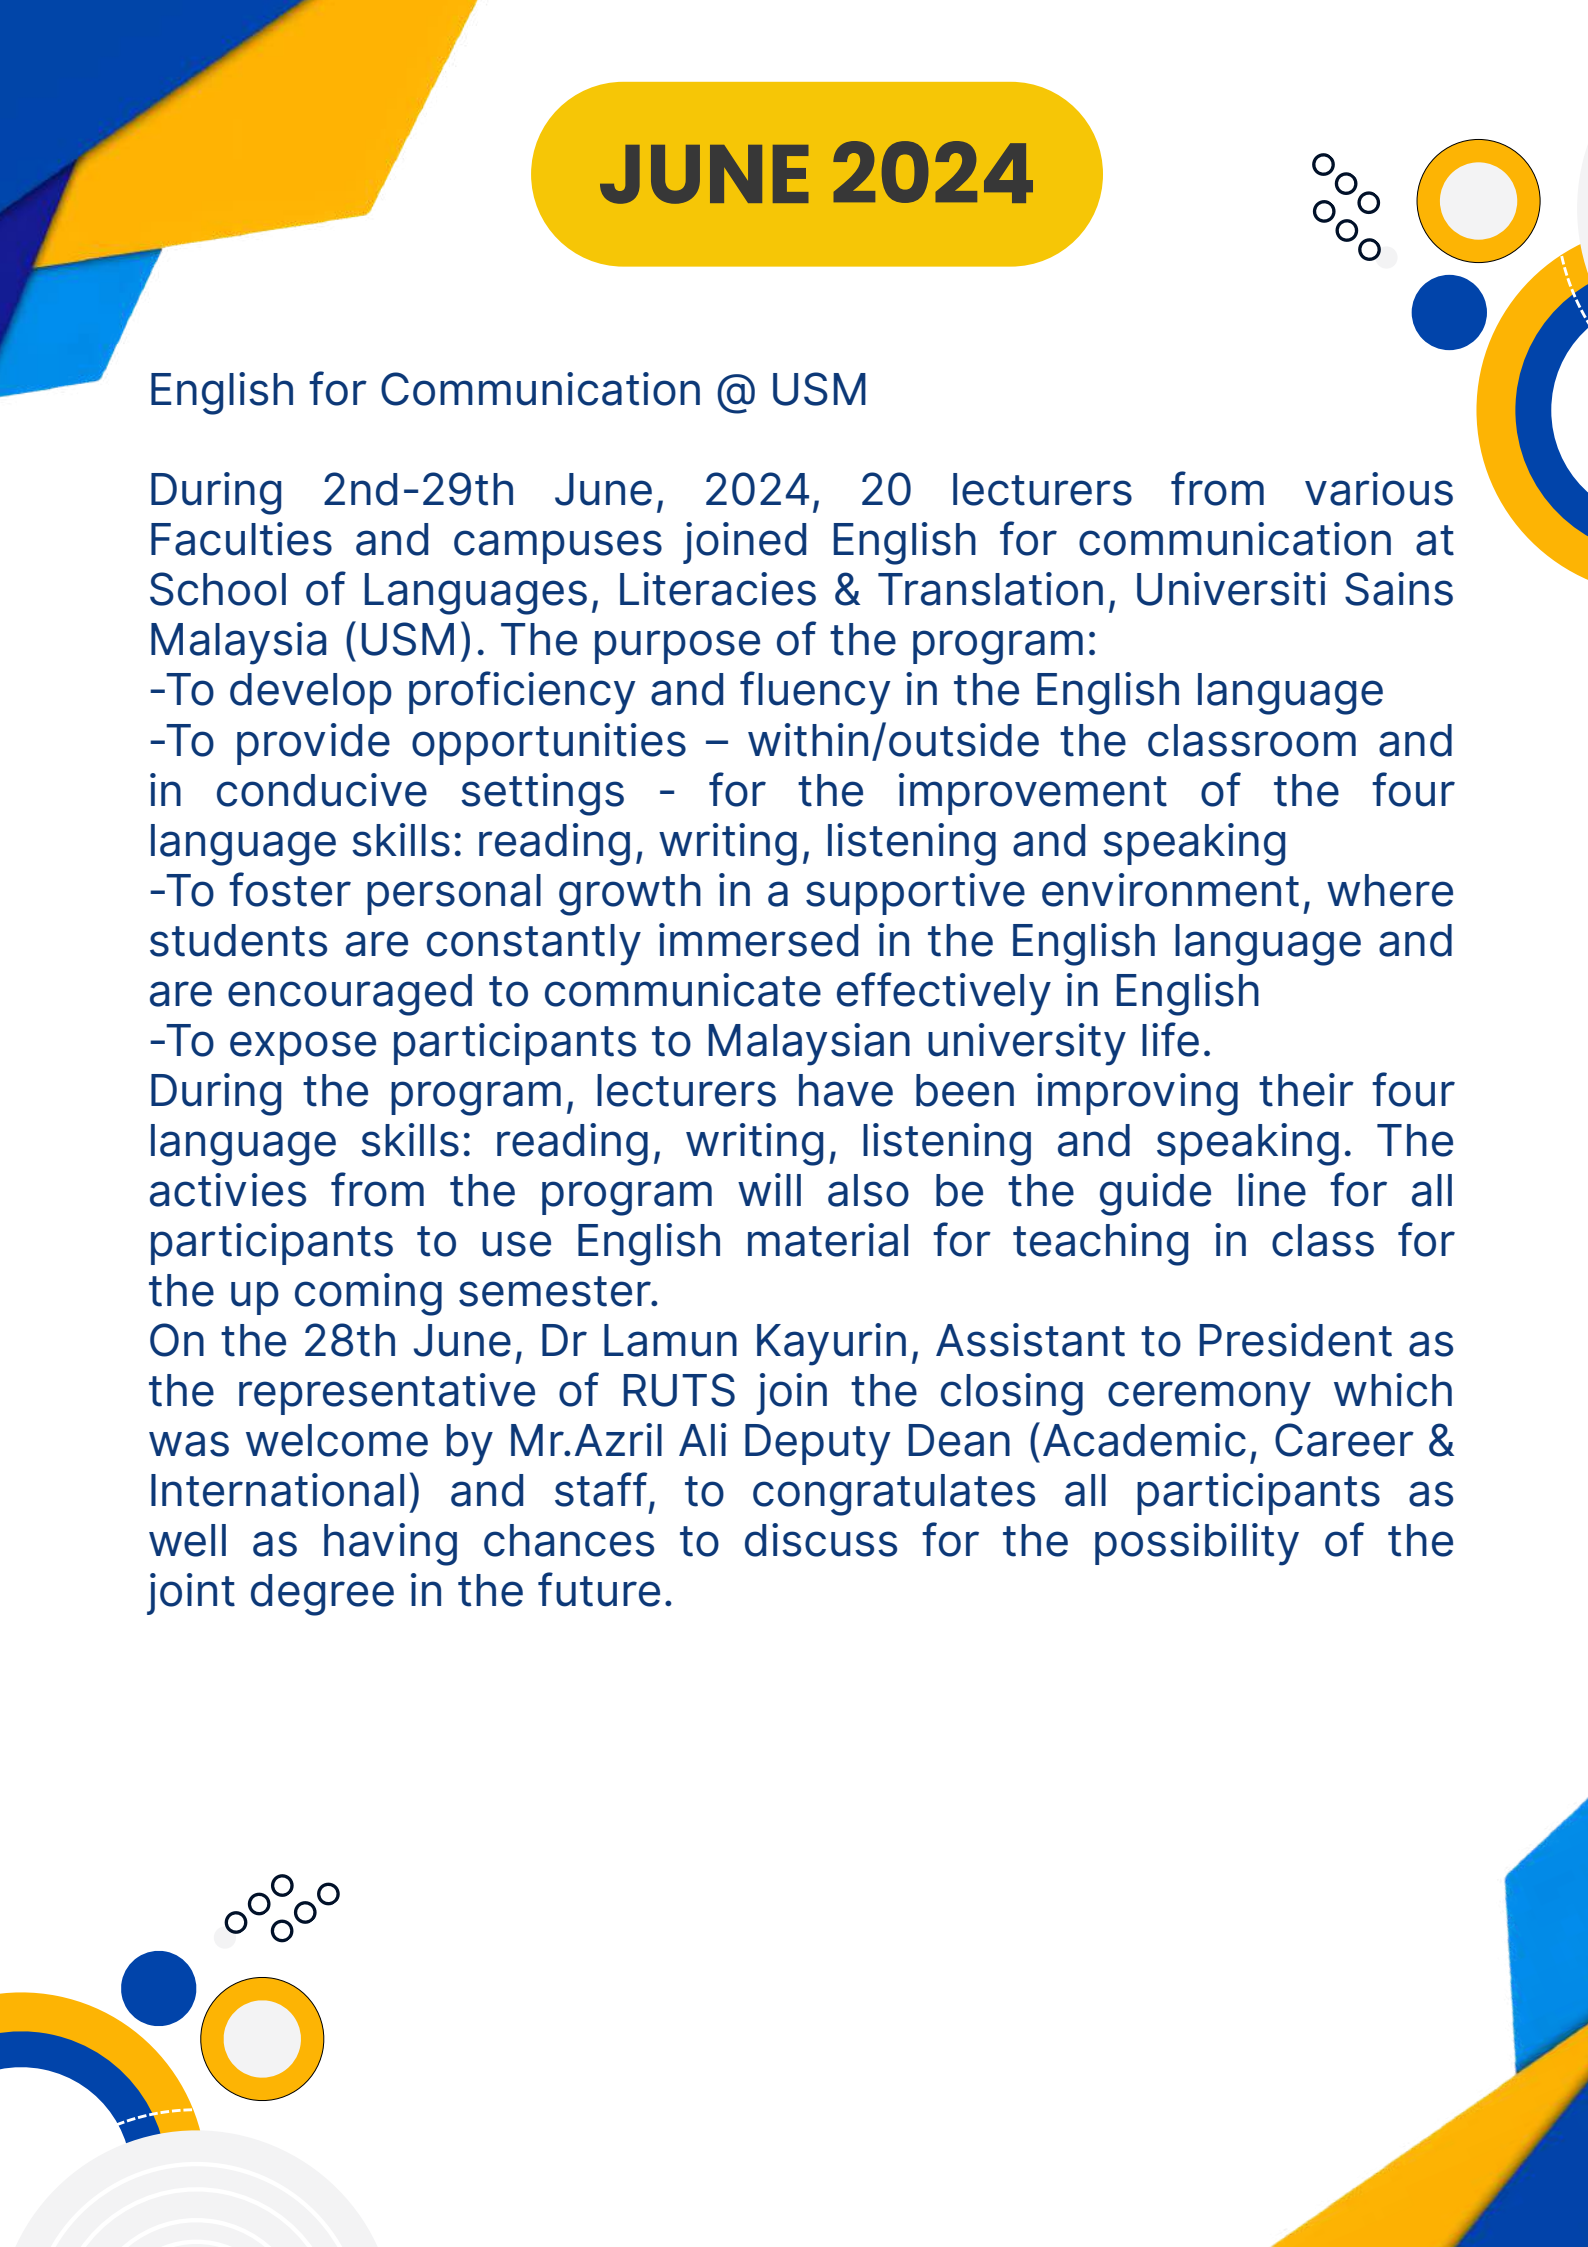

SDG 17: Partnerships for the Goals, worldwide ranked at 1001-1500

RUTS still give a great importance to sustainable development and this described the success as the outcome of a collective effort from various parties. The rankings inspire and motivate us to achieve excellence and make a significant impact in the region.

RUTS would like to give a special thanks to SDGs Team and those who had been involved in the implementation of such measures, and in qualifying RUTS and ensuring success with the recognition.
